Nanded, Maharashtra | 8600085193 | aniketkirtane633@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Motivated Software Developer with strong analytical and problem-solving skills, specializing in designing, developing, and maintaining high-performing, responsive, and scalable applications. Proficient in Java, Python, and Node.js, with hands-on experience in the complete software development lifecycle. Skilled in delivering innovative coding solutions, collaborating across teams, and contributing to all phases of software development. A quick learner with excellent communication skills, eager to apply technical expertise to create impactful solutions in a dynamic environment.

EDUCATION

Bachelor of Technology in Computer Science and Engineering

MGMs College of Engineering, Nanded

CGPA: 7.61 | Graduation: July 2024

Relevant Coursework: Web Technologies, Data Structures & Algorithms, Object-Oriented Programming, Software Engineering, Database Management Systems, Cloud Computing.

SKILLS

- **Programming Languages:** Java, Python
- **Web Development:** HTML, CSS, JavaScript, React.js
- **Databases:** MySQL, MongoDB
- **Tools:** Git, GitHub, Vs Code
- **Soft Skills:** Analytical Problem-Solving, Quick Learning and Adaptability, Effective Communication, Team Collaboration

PROJECTS

Background Removal Web Application

- Developed a full-stack web application for removing image backgrounds using the **Clipdrop API**.
- Implemented **secure user authentication** using **Clerk** and integrated **Razorpay** for seamless payment processing.
- Designed a **responsive and user-friendly frontend** using **React.js** and **Tailwind CSS** for an excellent user experience.
- Built a **RESTful API backend** with **Node.js/Express.js** to handle application logic efficiently.

CERTIFICATIONS

Java Programming Fundamentals

- Developed proficiency in creating Java programs using core constructs, Object-Oriented concepts, and best practices in programming.
- Designed and implemented classes with attributes, behaviours, and appropriate access modifiers, while utilizing packages and import statements effectively.
- Acquired hands-on experience with Exception Handling, Collections Framework, Generics, and commonly used Java APIs.
